

THE SANTA FE OPERA

Thank you for your inquiry regarding pre-performance events in our Parking Areas. To help in your planning, we offer the following guidelines:

- The parking lot is available beginning three hours before the performance begins.
- Parking spaces are first come/first served. Donors at various levels receive special parking privileges. *(For complete donor benefit information, call 505-986-5913.)*
- For the safety of all, you must follow the instructions of Parking Crew personnel.
- Picnic tables adjacent to the parking lot are available on a first-come, first-served basis. Please be considerate of others waiting to use the picnic facilities. In order to provide access to as many as possible, patrons are encouraged to share tables.
- Most tailgate setups are accommodated directly in front or back of your vehicle. Parties with more than one vehicle must arrive together (no parking spaces may be saved).
- Setups must allow for emergency vehicle access in all rows of the parking lot.
- All attendees must be ticketed for that evening's performance.
- No charcoal fires are allowed.
- No electrical service is available, and no electric generators are allowed.
- No pets are allowed.
- No staking is allowed in the parking lot or picnic areas.

Special Parties

- A limited number of spaces (along the east side of the upper parking lot) may be booked in advance. Each space measures approximately 20' x 20' and can accommodate 30 people. For party booking, contact the Box Office at 800-280-4654 or 505-986-5900.
- A \$500 deposit is required for each space - \$200 represents a usage fee and \$300 as a security deposit. (Cancellation deadline is 72 hours before the event.) Earlier setup access is available at the hourly rate of \$25.
- The space must be left in the condition received. No staking is allowed.
- Caterers and other service providers should cease serving one hour before performance time. **ALL set ups (including tents) must be broken down and off-site no later than 30 minutes before performance time.**
- If all guidelines have been followed and no repairs are pending from use of the space, remaining deposits will be returned within 15 days of the event.

Don't forget about these additional pre-performance options at the Opera:
